Tucked away within a well-kept development on sought-after Redmayne Drive, this bright and well-laid-out one-bedroom ground floor apartment offers a brilliant balance of comfort, convenience, and long-term value.

Step inside and you're welcomed by a central entrance hall that neatly connects each room—keeping everything practical and easy to navigate. The standout feature here is the generous lounge/diner, a flexible space perfect for everything from cosy nights in to hosting friends (yes, there's room for both a sofa and a dining table—rare at this level)

The separate kitchen is clean and functional with ample storage and workspace—ideal for everyday cooking or your Sunday meal prep ambitions. The double bedroom offers a calm and comfortable retreat, while the bathroom is fitted with a classic three-piece suite including a bath with shower—simple, practical, and ready to go.

One of the real highlights? A rarely available long lease with approximately 953 years remaining—giving you long-term peace of mind that's hard to come by. Add to that the fact the property is offered with no onward chain, and you've got a move that can be as smooth as it is swift.

Outside, the development is surrounded by well-maintained communal grounds, and you'll benefit from your own allocated parking space, plus visitor parking—because life's easier when guests don't have to circle the block.

All of this, set within easy reach of Chelmsford city centre, transport links, and local amenities—making it a smart move whether you're buying your first home, downsizing, or adding to your portfolio.
