This beautiful five-bedroom detached family home is situated on one of the most sought-after roads within the popular Paxcroft Mead development. Offering a spacious and thoughtful layout, the property features a private rear garden, off-street parking, and a single integral garage.

The welcoming entrance hallway leads into a beautifully appointed sitting room at the front of the house, where a pretty bay window and a central fireplace create a lovely focal point. An archway connects the sitting room to the dining room, where French doors open directly onto the rear garden. To the rear is the generous kitchen, fitted with a range of solid oak wall and base units topped with polished granite work surfaces. A central island provides extra storage alongside a casual seating area, and a second set of French doors opens out to the patio—making this a wonderfully social space for family life. Completing the ground floor is a practical utility room with side door access and a separate WC.

Upstairs, the property offers five well-proportioned bedrooms. The principal bedroom sits to the front of the house and benefits from a well-presented, good-sized en-suite shower room. The second bedroom also enjoys its own en-suite shower room, making it ideal for guests or family members wanting a bit of extra privacy. The remaining three bedrooms are served by the family bathroom, which includes handy built-in storage and a bath with a shower attachment.

The rear garden is fully enclosed, private, and has been thoughtfully designed to make the most of the outdoor space. A large patio area sits directly off the kitchen and dining room, creating an ideal spot for alfresco dining and entertaining. A dedicated decked area to the right of the lawn offers further seating space, while the main body of the garden is laid to lawn and bordered by fencing. To the front, the property benefits from off-street parking for 3 cars, access to the integral garage, and gated side access to the rear.
