

25 Balmoral House, Pavilion Way, Macclesfield, SK10 3GZ

Located within a prestigious and iconic development, this spacious first floor apartment offers an exceptional opportunity for first-time buyers to step onto the property ladder in one of Macclesfield's most desirable residential locations. Balmoral House forms part of a Grade II listed Victorian building with a rich local history, thoughtfully converted by Jones Homes to create an impressive collection of homes that blend character and period charm with modern living, all set within beautifully maintained communal grounds.

Offered through the Cheshire East Re-sale Covenant Scheme, qualifying purchasers can acquire the property at 63% of the full market value, with no rent payable, unlike traditional shared ownership schemes. Ideal for buyers living or working within the local area, this scheme provides a rare chance to own an attractive home at an affordable price point.

The well-presented accommodation briefly comprises an entrance hall, a bright and spacious living room, kitchen, double bedroom and a bathroom. Externally, the property benefits from an allocated off-road parking space positioned to the front of the development.

This is a fantastic opportunity for eligible first-time buyers to purchase a stunning apartment within a highly sought-after location at an accessible price level. Please note that interested parties must be approved by Cheshire East Council prior to proceeding. Interested parties should contact the office for further details.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.
