Guide Price £700,000

A rather special and substantial semi-detached house which has been sympathetically improved and extended and now provides beautifully presented and cleverly designed accommodation. The property incorporates many stylish and attractive features together with exceptionally well proportioned versatile living accommodation, ideally suited to a family looking for such outstanding space and flexibility. Furthermore, the property incorporates a courtyard style parking area to front and a delightful enclosed landscaped garden to rear.

LOCATION

The property occupies a prominent non-estate position within this highly sought-after village, which offers an excellent range of local amenities including a village shop with post office (Co-op), pharmacy, medical centre, greengrocer, butcher, three public houses, a café, a historic church, and a variety of other shops along the High Street. The village also benefits from pre-school and primary school provision, together with a recreation ground, community centre, and sporting facilities. Conveniently located just three miles from the University City of Cambridge, the village is also well placed for access to major transport routes.

OUTSIDE

To the front of the property there is a small well kept garden area laid to lawn with shrubs and hedgerow around and a brick paviour courtyard style parking area with hedgerow to side and a paved pathway and gated access to side leading to the rear garden.

To the rear of the property there is a delightful landscaped garden which is laid to two circular shaped lawns and a great variety of attractive mature shrubs, bushes and trees around. There is also a secluded paved terrace immediately to the rear of the house which is accessed via doors from the Dining/Family room and this has external power sockets and lighting and there are further pathways running along the back of the house itself leading to a further large paved terrace. In one corner of the garden there is a large timber constructed storage shed/workshop, light and power with a lean-to bin store and storage area to the rear. Further small paved patio area to side.

To the side of the property there is an access lane serving two other properties. This property has a right of access over the lane to reach the rear garden, which is south-facing. A gate previously providing access has been removed and replaced with fixed fence panels. A new owner may, if they wish to drive a vehicle into the garden, reinstate a gate by replacing two fence panels.
