

Warren Avenue
Stapleford, Nottingham NG9 8EY

£325,000 Freehold

A THREE BEDROOM BUNGALOW.

Extensively extended, re-modelled and refurbished in recent times to create a surprisingly spacious three bedroom detached bungalow.

Situated on a larger than average level garden plot of approximately 0.16 of an acre, with a generous amount of off-street parking with a forecourt providing an area for two to three cars. At the rear, the property enjoys access over a private service lane with gates leading to a courtyard with parking for two to three vehicles, ideal for caravan/motorhome/etc. and there is also a double garage.

This exceptionally well presented property offers the epitome of single storey living. The current owners have designed a spacious and adaptable arrangement of rooms. An entrance porch leads into a large welcoming central hallway giving access to the rooms and your eye is immediately drawn through via glazed pocket doors to the living accommodation where there is a lounge with multi-fuel cast iron fire and glazed oak pocket doors lead you through into the dining room which is open to the most impressive fully fitted kitchen.

The bedroom accommodation is well proportioned, with the principal bedroom having an en-suite shower room, the guest double bedroom has a Jack/Jill door leading to the family bathroom (with spa bath) and the third bedroom makes an ideal study.

The large rear gardens have been cleverly landscaped to provide ease of maintenance, with areas laid to deck and artificial lawn, ornamental bedding with gravel and colourful planting and a covered seating area towards the end of the garden (ideal for BBQing).

Situated in this popular and convenient residential suburb, the property is a short walk to the main high street in Stapleford which offers a generous variety of shops and facilities, as well as a regular bus service linking Nottingham and Derby, Ilkeston, Long Eaton and East Midlands Airport.

This remarkable property is ideal for those looking to downsize without actually downsizing. We strongly recommend an internal viewing to fully appreciate the accommodation on offer.
