DESCRIPTION

This three-bedroom semi-detached house for sale just off Tadcaster Road in York offers a rare chance to create a modern family home in one of the city's most desirable residential areas. With no onward chain and excellent renovation potential, it's perfectly placed for buyers looking to add value while enjoying the convenience of Dringhouses, the Knavesmire, York City Centre and the outer ring road.

The location is exceptionally strong for day-to-day living, with local shops, schools, cafés, parks and frequent bus routes all close by. Easy access to the A64 and wider transport links makes commuting simple, while the nearby green spaces and amenities give the area a relaxed, well-connected feel.

Inside, the property has a traditional layout that lends itself well to modern redesign. A bright 17ft bay-fronted lounge sits to the front, complemented by a separate dining room overlooking the garden. The kitchen provides a practical footprint with scope for reconfiguration, supported by a ground-floor W.C. and access to the attached single garage.

Upstairs, two generous double bedrooms and a well-proportioned single offer flexible space for families, guests or home working. A three-piece house bathroom completes the first floor. The home benefits from uPVC double glazing, though internal upgrading is recommended—making it an ideal project for those wanting to personalise their next home.

Outside, a gated driveway provides off-street parking with potential for electric vehicle charging, while the mature rear garden features established trees, seating areas and useful storage sheds. It's a peaceful, private space with excellent potential for landscaping or future extension (subject to permissions).
