**GUIDE PRICE £380,000**

A quintessential double fronted character cottage situated only a short walk away from the centre of this picturesque National Park Village. Amber Croft still retains the charm and character inherent of its age, but the cottage has been significantly improved by the current owner, with a partial re-roof, new electrics and re-rendering to the back portion.

In brief the accommodation comprises the following: entrance vestibule, front facing dining room, a cosy sitting room with multi-fuel stove, rear hall, breakfast kitchen with an adjoining garden room whose doors open out to the garden, utility room and a ground floor shower room. Upstairs are three double bedrooms, with the front two being especially generous and the main house bathroom. Windows are double glazed throughout and there is a modern gas fired central heating system.

A lovely, sheltered south facing garden lies to the rear and side. The garden makes the most of its south facing aspect with a terraced seating area, lawned garden edged by well stock flower and shrub borders and a small vegetable garden. To the far end is a private area of off-street parking, accessed off South Lane.

Thornton-le-dale is a pretty, well-served village some three miles to the east of the market town of Pickering and lies within the southern boundary of the North York Moors National Park. The village has a variety of shops, including butcher, bakery, Post Office and pharmacy, with two doctor's surgeries, cafes and public houses.

## GARDEN & GROUNDS

Amber Croft fronts High Street to the front and backs onto South Lane at the rear which is where the vehicular access runs from and to a private parking space.

The garden faces south and runs to the rear and side of the cottage. To the immediate rear is a sheltered terraced area with steps up to the lawned garden, with well stocked borders filled with cottage style plantings. To the side of Ambercroft is a screened and very private seating area, with steps down to a vegetable garden. The vegetable garden is planted in a potager style, with raised beds, providing a productive and attractive space.
