Radcliffe & Rust Estate Agents Cambridge are delighted to offer, for sale, this beautifully presented three bedroom mid-terrace home, ideally positioned on High Street, Oakington.

The property is approached via the main front garden. Entering through the garden gate (located opposite the private off-road parking area with one allocated space), you walk through the lawned garden to the front door. Once inside, you are welcomed into the entrance hallway with stairs rising immediately ahead to the first floor. To your left is the generous downstairs cloakroom, fitted with a W.C., hand basin with useful storage beneath, heated towel rail and mirrored vanity unit. Finished in neutral tones, this spacious room also offers practical additional storage space for coats and shoes.

Across the hallway you enter the heart of the home – the impressive open-plan lounge, dining and kitchen area. This bright and sociable space is ideal for both everyday family life and entertaining. At the far end of the room, the lounge area centres around a striking exposed brick fireplace with surround, creating a warm focal point. On either side, alcoves with built-in storage cupboards and shelving add character and functionality. The wooden flooring flowing in from the hallway enhances the sense of continuity and warmth throughout the ground floor.

The central portion of the room provides ample space for a dining table and chairs, naturally zoning the area without interrupting the open-plan feel. The layout offers flexibility, allowing the space to be styled to suit a variety of needs and lifestyles.

The kitchen area sits seamlessly within the open-plan design, with no separating doors, ensuring a sociable atmosphere for cooking and entertaining. Wooden wall and base units are complemented by grey worktops and tiled splashbacks, creating a neutral yet welcoming finish. Appliances include a freestanding washing machine and dishwasher, integrated fridge-freezer and single oven, offering practicality without compromising on style.

On the first floor, the landing leads to two bedrooms and the family bathroom. Directly ahead at the top of the stairs is bedroom one, a spacious double room featuring built-in double wardrobes and a beautiful original fireplace – a charming and characterful feature that adds real personality to the space. Soft neutral décor and carpeting create a calm and comfortable retreat.

The family bathroom is positioned centrally on the landing and comprises a W.C., hand basin, bath with overhead shower and heated towel rail. Finished in light, neutral tones, the room feels fresh and functional.

Bedroom two, located at the opposite end of the landing, is a generous single room that could equally serve as a home office, gym or nursery, offering excellent flexibility for modern living.

Rising to the second floor, you will find the third bedroom within the loft conversion – a true highlight of the property. With sloping ceilings adding character and Velux windows flooding the room with natural light, this versatile space comfortably accommodates a double bed and additional furniture. It is a peaceful and private area, ideal as a principal bedroom, guest room or dedicated workspace.

Externally, the rear garden is mainly laid to lawn with a pleasant seating area, perfect for enjoying warmer months with outdoor dining and entertaining.
