65 Signal Road, Dursley GL11 5FB

Built approx 3 years ago by Wain homes, with the remainder of the builders warranty, this impressive semi-detached house is situated within close proximity of the railway station allowing great access to the larger cities for people who commute.

With a pleasant open outlook to the front, and being positioned near to the park, the property offers good size family accommodation with three double bedrooms on the first floor with ensuite to the principal bedroom and family bathroom.

On the ground floor an entrance hallway leads into the front living room with downstairs cloakroom, kitchen to the rear with integrated appliances including dishwasher, washing machine, fridge/freezer, oven and hob and leading into what used to be part of the garage which our current seller has now converted into a useful family/reception room.

Outside to the front a driveway, with car charging point, providing off road parking leading to the former garage with up and over door which provides a useful storage area. Side access then leads you to the rear enclosed garden with patio, lawn, outside power and storage.

The property further benefits from solar panels making the home economical to run. Both bathrooms feature integrated ceiling speakers and the ensuite has a 'Hansgrohe' rainfall shower.

Signal Road is ideally positioned within easy reach of local amenities, schools, and transport links, making it an excellent choice for families, or professionals seeking a versatile home in a popular location.

An early viewing is highly recommended to appreciate the size, layout, and potential this home has to offer.

Signal Road is located on the outskirts of Cam and is easily accessible to Cam village amenities and local schools. The property is conveniently positioned for the A38 and M5 for those commuting to the larger centres of Bristol, Gloucester and Cheltenham and there is also a mainline train station close by at Box Road serving Bristol and London (Paddington) via Gloucester.
