Website: <https://mantlestates.com/>

This chain-free, second-floor top-floor flat is located on Canford Close, Enfield, in the EN2 8QN area. The property provides accommodation arranged around an entrance hall, a separate reception room, a fitted kitchen, a bathroom and two double bedrooms. The flat has wooden flooring across the main living and bedroom areas, with tiled finishes visible in the kitchen and bathroom. It is offered for sale in an unfurnished condition.

The entrance hall provides access to the principal rooms and includes white-painted internal doors and wood-effect flooring. The reception room is a separate room with two windows overlooking the surrounding residential area. The room benefits from wooden flooring, painted walls and a ceiling light fitting. Its proportions provide space for separate seating and dining arrangements, subject to the purchaser's requirements. The windows provide natural light and views towards trees and nearby rooftops.

The kitchen is fitted in an L-shaped arrangement with dark green fronted wall and base units, timber-effect work surfaces and tiled splashbacks. Integrated appliances include an electric oven, ceramic hob and extractor hood. There is also a stainless-steel sink with drainer positioned beneath a window, together with space and plumbing for a washing machine. A freestanding fridge freezer is also shown. The kitchen has tiled flooring and provides working surfaces along two sides of the room. Decorative patterned tiles are incorporated within the splashback areas.

The bathroom is fully tiled and includes a bath with a shower attachment, a pedestal wash basin and a close-coupled WC. The room has a frosted window, tiled flooring and a panelled bath front. Storage is provided by a fitted vanity unit beneath the wash basin, with shelving also visible.

Both bedrooms are double rooms. One bedroom has wooden-effect flooring, painted walls, a front-facing window and a recessed area created by the room's layout. The second double bedroom also has wooden-effect flooring and a window overlooking trees and the surrounding residential setting. Both rooms are presented without fitted bedroom furniture, allowing the accommodation to be arranged according to individual requirements.

The property forms part of a purpose-built residential block with communal external areas. The building is set within a quiet residential location, with mature trees and planted areas visible around the frontage. The images show a communal entrance door and a paved approach. No private garden or allocated parking details are provided. The flat is positioned on the top floor. A wider view from the locality shows the London skyline, including The Shard, in the distance.

The property is situated near Chase Farm Hospital, which is identified as a nearby local facility. Gordon Hill train station is within short walking distance, providing access to rail services from the area. Local residential roads and nearby housing are within the surrounding neighbourhood. Further amenities, transport connections and services should be confirmed by the purchaser according to their specific requirements.

The property is offered for sale on a chain-free basis.

ENTRANCE HALL: 7' 06" x 5' 00" (2.29m x 1.52m)
