Set on a corner plot in a cul-de-sac off Kenn Moor Drive, this extended family home offers well-proportioned accommodation arranged to suit modern family life. The property is offered with no onward chain and is likely to appeal to a wide range of buyers looking for additional living space in a popular residential setting.

A welcoming entrance porch opens into the dual-aspect sitting room, with double doors providing a seamless connection through to the kitchen/dining room. Fitted in a traditional Shaker style, the kitchen combines woodblock worktops, a Belfast sink and range oven, creating a practical and characterful heart to the home. Two open connections lead through to the extended family room beyond, creating an impressive social space with plenty of flexibility for entertaining, relaxing or everyday family life.

Upstairs, there are three well-proportioned bedrooms together with a family bathroom, providing comfortable accommodation for a growing family or those requiring space for guests or home working.

Outside, a driveway to the front provides useful off-road parking, while the rear garden is arranged with a paved patio and lawn, with an additional area extending to the side of the property. The former garage has been divided to create a useful store and workshop, ideal for hobbies, storage or practical household requirements.

Sercombe Park is a popular residential cul-de-sac, conveniently positioned close to Hazel Close playing fields, riverbank walks and Yeo Moor School. With its generous accommodation, useful outside space and excellent potential for family living, this is a home that offers both versatility and convenience.

“A versatile family home with generous living space and a lovely social heart.”
