what the owners will miss

"My wife and I have been here 6.5 years and absolutely love it. We honestly wouldn't be moving if it weren't for the need to upsize! 500 yards from the doorstep is the stunning view point over (and access to) Hanham Woods/Conham Vale River Park, with open public fields even closer (30 meters from front door) and easy woodland and river walks along to local pubs and out to Keynsham. Golden hour in the spring/summer evenings is awesome here! Or equally, in the other direction, a 10-15 minute cycle into the centre of Bristol. Our neighbours all around are absolutely lovely, welcoming and give Vicarage Road a community feel like the "good old days". The high street has everything you need at a moments notice, doctors & pharmacy are a 3 minute drive away or easy walk.

For how built-up Bristol is becoming, Vicarage Road and its access to both nature & city life is a hidden gem of a location!

just a thought...

If you hadn't considered a modern home before, this could be the one! Decorated to a high standard with double glazing, gas central heating, pleasant garden, garage and lots of off street parking, this is an ideal solution for those looking for a manageable home ready to move into!
