15 Bourne Way, constructed in 2017, enjoys an attractive position within a contemporary development and benefits from a west-facing garden, ideal for making the most of afternoon and evening sunshine. Since acquiring the property, the current owners have thoughtfully enhanced and maintained it, including the installation of new flooring in the reception areas, the addition of built-in storage, and, most notably, the creation of a spacious and welcoming entrance porch with ample room for coats and shoes.

The hallway provides access to a well-proportioned sitting room on the left, featuring recently updated wooden flooring, which continues seamlessly into the playroom opposite. To the rear of the property lies an impressive open-plan kitchen/dining room, fitted with an extensive range of units and offering generous space for a dining table and chairs, perfectly positioned beside French doors that open onto the garden. A stylish cloakroom completes the ground floor accommodation.

Upstairs, a generous landing leads to four well-sized bedrooms. The principal bedroom, located at the front of the house, benefits from fitted wardrobes and a modern en suite shower room. The remaining bedrooms are served by a contemporary family bathroom, also accessed from the landing.

Externally, the property offers a driveway to the side, providing off-street parking for two vehicles and access to a single garage. A gated entrance leads to the rear garden, which features a large decking area—ideal for outdoor entertaining—as well as a useful storage space behind the garage.
