Property Introduction

A rare opportunity to acquire this freehold property, currently arranged as two self-contained flats and offered to the market with vacant possession. Originally converted from former village stores, the accommodation has been reconfigured to provide a one bedroom ground floor apartment and a spacious two bedroom apartment arranged over the upper two floors. The ground floor apartment comprises an eat in kitchen, main reception room, bedroom and bathroom with shower and WC, benefiting from its own separate front door. The upper apartment is accessed via a side entrance and rear yard with accommodation set over the first and second floors. The first floor offers a kitchen and reception room, along with a double bedroom and family bathroom, whilst the vaulted attic level provides an impressive principal bedroom. Externally the property benefits from a rear yard which provides access to the upper apartment. The layout offers excellent flexibility and conversion back to a single dwelling should be relatively straightforward (subject to the relevant council permissions), as the two units are currently separated by only a stud wall.

Location

The tranquil village of Ludgvan is positioned away from through traffic and remains one of the area's most popular residential locations, benefiting from its own primary school. The village is well served by a local shop and Post Office with a public house and takeaway facilities available in the neighbouring village of Crowlas. Further amenities can be found just a mile and a half away at Long Rock, which offers both Sainsbury's and Morrisons supermarkets. The major town of Penzance lies approximately three miles away and provides a comprehensive range of shops, schools for all ages and leisure facilities, along with a mainline rail link to London Paddington. Ludgvan is also within easy reach of some of the county's most popular south coast beaches, including Praa Sands, Prussia Cove, Perranuthnoe and Marazion, home to the iconic St Michael's Mount, as well as the Cornish Coastal Path.
