## £135,000 | Bedrooms 2 Bathrooms 1

Situated along Villiers Street in the well-established area of Stoke, this two-bedroom terraced home presents a practical opportunity for buyers seeking a property with scope for improvement. Set within a row of traditional homes, the property is positioned in a convenient location, close to everyday amenities and well connected to the wider city.

Upon entering, the hallway leads into the main living spaces, with laminate flooring providing a straightforward and durable finish. The dining area sits just beyond, offering a separate space for meals or everyday use, while the lounge provides a comfortable setting with laminate flooring and an electric fire acting as a focal point. The layout is simple and functional, allowing for flexibility depending on how the space is used.

To the rear, the kitchen is fitted with a gas hob and offers basic workspace and storage, with potential for updating to suit modern requirements. An adjoining utility area provides additional room for appliances and helps to keep the main kitchen area clear. The ground floor bathroom is fitted with a white three-piece suite and is conveniently located at the back of the property.

Upstairs, the accommodation includes two well-sized bedrooms, both capable of accommodating double beds and wardrobes. The rooms are carpeted and offer a good sense of space, making them suitable for a range of buyers, whether as sleeping areas, guest rooms or work-from-home spaces.

Outside, the enclosed rear garden offers a private outdoor area with potential for landscaping or redesign, depending on individual preference. A recent improvement includes a new roof to the rear extension, completed within the last year, providing some reassurance for future works.

The location is a key feature of the property. Stoke is a popular and accessible part of Coventry, offering a range of local shops, supermarkets and services within easy reach. Families have access to nearby schools such as Stoke Primary School and Sacred Heart Catholic Primary School, while older students are served by options including Sidney Stringer Academy and Stoke Park School. For commuters, the property benefits from good transport links, with straightforward access to the A444 road and M6 motorway, as well as convenient routes into the city centre.

Overall, this is a property that requires updating but offers a solid layout, good room sizes and a convenient location, making it a suitable option for investors or buyers looking to take on a project.
