Situated in a sought after residential location, this well presented semi detached home was built by a well known contractor. There is a front porch leading through to the hallway, a lounge and then via a six pane door to a Howdens fitted kitchen/diner. There is a one and a half bowl porcelain sink unit, plenty of working surfaces with cupboards and drawers beneath and incorporating a large gas Range cooker with an electric oven. Eye level cupboards are also provided offering plenty more storage space. Two bedrooms are provided with the rear bedroom having fine views to Carn Brea castle and monument and both having fitted wardrobes. There is a shower room having a tiled cubicle, an enclosed wash hand basin and wc. The property is double glazed and this is complemented by a gas fired heating system. Externally the property has a low maintenance exterior. Parking facilities are provided for several vehicles and there is an open plan lawned front garden. To the rear the garden is fully enclosed with gates and substantial fencing to three sides plus a substantial garden shed. The garden is lawned and is ready for the keen gardener to make their mark on it. Wheal Agar is a popular dormitory area for Redruth, Camborne and the out of town multiples and further businesses at Pool. The north coast at Portreath is within approximately four miles.
