FIRST-FLOOR PERIOD APARTMENT WITH BALCONY & SEA VIEWS

Occupying the entire first floor of an imposing period building on prestigious First Avenue, this beautifully individual apartment combines impressive proportions, exceptional period detailing and a private balcony, just moments from Hove seafront.

The standout space is the superb kitchen, sitting and dining room, where soaring ceilings, intricate cornicing and a decorative ceiling rose create a wonderful sense of grandeur. Painted cabinetry, timber worktops and a substantial central island give the kitchen a relaxed, characterful feel, while the magnificent curved bay floods the room with natural light.

Doors open directly onto the private balcony, providing space for a table and chairs and an attractive outlook along First Avenue towards the sea – a lovely setting for morning coffee or an evening drink.

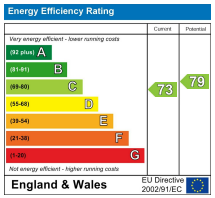

There are two bedrooms, including a generous principal with en-suite shower room. The second is particularly versatile, with a clever mezzanine sleeping area making excellent use of the impressive ceiling height. A separate bathroom completes the accommodation.

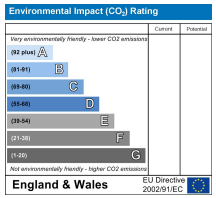

First Avenue is one of Hove's most desirable addresses, with Hove Lawns, the beach and promenade moments away. Church Road's excellent restaurants, cafés, bars and independent shops are also within easy reach, together with convenient access to Hove Station.

With its whole-floor position, remarkable period features, superb living space, balcony and sea views, this is a distinctive home in an exceptional Hove location.

Council Tax: C

These property details are set out as a general outline only and do not constitute any part of an Offer or Contract. Any services, equipment, fittings or central heating systems have not been tested and no warranty is given or implied that these are in working order. Buyers are advised to obtain verification from their solicitor or surveyor. Fixtures, fittings and other items are not included unless specially described. All measurements, distances and areas are approximate and for guidance only. Room measurements are taken to be the nearest 10 cm and prospective buyers are advised to check these for any particular purpose, e.g. Fitted carpets and furniture.
