SUMMARY

FORMER FIRE STATION WITH FULL PLANNING CONSENT FOR 21 APARTMENTS & COMMERCIAL UNIT

DESCRIPTION

An exciting opportunity to acquire a prominent development site extending to approximately 0.18 acres, situated in the heart of Keynsham and forming part of the highly regarded Riverside regeneration area.

The site comprises the former Keynsham Fire Station, a substantial commercial building extending to approximately 2,560 ft², together with a generous enclosed yard and direct access onto Temple Street.

Full planning permission has been granted for the redevelopment of the site to provide a new four-storey building comprising 21 apartments specifically designed for the over-55s, together with a substantial ground floor commercial unit extending to approximately 2,196 ft² and two parking spaces.

The site represents one of the remaining brownfield development opportunities within Keynsham's prestigious Riverside regeneration area, offering the opportunity to deliver a high-quality mixed-use development in a highly prominent and accessible location.

Given the property's central position on Keynsham High Street, the site may also offer potential for a variety of alternative commercial or development uses, subject to obtaining the necessary planning consents.

LOCATION

The property is situated in a prominent position on Temple Street in Keynsham, a popular and well-established town located between Bristol and Bath. Keynsham offers an excellent range of shops, cafés, restaurants, schools and everyday amenities and has been established as a desirable commuter town, benefiting from its strategic location between the two cities.

The location benefits from excellent transport links, with Keynsham railway station providing regular services to Bristol, Bath and surrounding areas. The property also offers convenient access to the A4, M4 and M5 motorway networks.
