On the ground floor you'll discover two beautifully presented double bedrooms, both complete with elegant plantation shutters that add a boutique hotel feel while providing privacy and style in equal measure.

Head upstairs and prepare for the real showstopper...

The incredible open-plan living, dining and kitchen space is the heart of the home. Flooded with natural light from four large windows and enhanced by soaring ceilings and beautiful exposed beams, it's a room that feels effortlessly spacious and wonderfully inviting. Whether it's lazy Sunday brunches, movie nights, dinner parties or simply relaxing with a coffee, this is a space you'll genuinely love spending time in.

The contemporary high-gloss kitchen offers sleek cabinetry alongside integrated appliances including a washing machine and fridge freezer, while the combi boiler ensures efficient heating throughout the year. Four radiators keep the living space warm and cosy during the colder months, making it every bit as comfortable as it is stylish.

Outside, life is refreshingly low maintenance. The beautifully landscaped communal grounds are professionally maintained every two weeks, communal windows are cleaned monthly, and communal bins are cleaned twice a week—giving you more time to enjoy your weekends rather than worrying about upkeep.

Parking is equally stress-free, with your own allocated parking space, visitor parking for friends and family, and even the opportunity to rent additional resident spaces from neighbours who don't currently use theirs.
