5 THE VINES

SHABBINGTON, BUCKINGHAMSHIRE HP18 9HH

A substantial five bedroom detached home, located within the heart of this popular Buckinghamshire village.

The Vines is a small development of detached homes constructed in the 1990's enjoying a prime position within the heart of this popular Buckinghamshire village. In more recent years the property has been extended on the second floor to create a substantial principal suite, enjoying a bedroom with views and a luxurious en-suite bathroom. Shabbington is a lovely rural village with a pub on the river, whilst ideally positioned within a short drive of Oxford and Haddenham & Thame parkway (London Marylebone under 40 mins).

Ground floor accommodation features two formal receptions rooms, a conservatory overlooking the garden and a guest bedroom suite/office with an adjoining shower room. Of particular note is the recently updated kitchen fitted with a range of gloss fronted, handleless cupboard and drawer units with working surfaces. A range of integrated appliances include a Bosch inset double oven, a induction hob, a microwave and dishwasher. Further accommodation to the ground floor includes a sitting room with a wood burning stove, a dining room with generous built in storage.

First floor accommodation does not disappoint with four bedrooms all served by a family bathroom. To the second floor is a recently extended bedroom, offering a substantial principal suite extending to 17' with rural views and built in wardrobes. The most wonderful en-suite bathroom has a large walk in shower, separate bath and an impressive vanity unit with a basin.

Externally, 5 The Vines benefits from a substantial plot offering a secluded rear garden with a Westerly aspect. The formal garden extends to approximately 60' in length and laid to lawn with mature hedging. A generous decked terrace offers the perfect area for entertaining. At the bottom of the garden is access to the garage. To the front of the property is an area of off street parking for three vehicles and an EV charging point. A pedestrian path extends to the front door and further gated access to the front.

In our opinion this is an opportunity to acquire a substantial home with versatile living, located within a friendly Buckinghamshire village.
