PROPERTY DESCRIPTION

Offered for sale for the first time in an extraordinary 74 years, this spacious terraced home presents an exciting opportunity for buyers seeking a property with significant potential for modernisation and improvement. Having been well maintained throughout its ownership, the property provides a solid foundation for refurbishment and offers tremendous scope to create a wonderful home tailored to individual tastes and requirements.

Situated along a quiet residential road in the popular Parkstone area, the property benefits from driveway parking, a generous rear garden and well-proportioned accommodation throughout.

The accommodation is entered via an entrance hall with stairs rising to the first floor. The principal reception room is a spacious sitting/dining room featuring dual-aspect windows overlooking both the front and rear gardens, creating a bright and airy living space with ample room for both lounge and dining furniture.

The kitchen is fitted with a modest range of units and offers space for a variety of appliances. A useful larder cupboard provides additional storage. Leading from the kitchen is a rear lobby giving access to the garden, an understairs storage cupboard and a cloakroom fitted with a WC.

On the first floor, the landing leads to two particularly spacious double bedrooms, both benefitting from fitted cupboards. Completing the accommodation is a wet room fitted with a three-piece suite comprising a WC, wash hand basin and wet room-style shower.

Externally, the property is set back from the road with driveway parking to the front and offers further potential to create additional off-road parking if required, subject to any necessary consents. A shared side pathway provides access to the rear garden, which is a notable feature of the property. The garden is laid predominantly to lawn and enjoys a patio terrace ideal for outdoor seating and entertaining, together with a useful brick-built store.

This is a rare chance to acquire a much-loved home with enormous potential in a convenient and established residential location.

LOCAL AREA

The property is set in a quiet residential area on the edge of Parkstone, within a short walk of Bourne Valley Nature Reserve, perfect for dog walkers. The general area is well served with local amenities, schooling and transport links.
