

This is a rare opportunity to acquire a beautifully presented and exceptionally well-balanced family home, offering generous accommodation, light-filled living spaces, a larger-than-average garden, ample parking and an integral garage, all within one of the area's most desirable village settings. Combining modern comfort with outstanding local amenities and excellent transport links, it is a home perfectly suited to contemporary family life.

This detached family home offers an exceptional balance of space, style and practicality. Thoughtfully extended and meticulously maintained by the current owners, the property provides bright and versatile accommodation, perfectly suited to modern family living.

From the moment you arrive, the home makes an impressive first impression, with a generous block-paved driveway providing off-street parking for two vehicles alongside an integral garage offering additional parking, storage or workshop potential.

Internally, the property has been designed around family life, with a welcoming entrance hall leading to a series of wonderfully proportioned living spaces.

At the heart of the home is the stunning open-plan kitchen and dining area, an impressive room flooded with natural light from large glazed doors and rooflights. Contemporary in design yet warm and inviting in atmosphere, this space creates a seamless connection between the house and garden, making it ideal for both everyday family life and entertaining guests.

The adjoining family room offers a cosy retreat, space for a large home office, a playroom, or a fifth bedroom. Whilst the substantial principal reception room provides exceptional flexibility, enjoying views over the garden, with a contemporary log burner, and boasting two sets of French doors, it's also a bright and relaxing living space.

A practical utility room off the kitchen and a cloakroom complete the ground floor accommodation.

The sense of light and space continues upstairs, where four well-proportioned bedrooms are arranged around a central landing.

The principal bedroom benefits from its own en-suite shower room, and a Juliette balcony overlooking the garden, and open fields beyond.

The remaining bedrooms are served by a modern family bathroom. The layout has been carefully designed to provide comfortable accommodation for growing families, with excellent storage throughout.

Outside, the property truly comes into its own. The south-facing rear garden is notably larger than many found on similar modern developments, with a private feel, and offering an excellent space for children to play. It's also perfect for summer entertaining and al fresco dining.

Enjoying a good degree of privacy, the garden provides an attractive extension of the living accommodation and creates a wonderful setting in which to relax and unwind. A detached garden outbuilding further enhances the property's versatility, providing potential as a home office, storage shed, gym, studio or hobby room.
