Outside:

The property is approached via a wrought iron gate into the hedge enclosed front garden with a brick paved path to the front door and an area of lawn to either side, obscured oil tank. There is a side gate leading to the parking area and the single Garage

with double wooden doors, electric light and power, water supply and fitted Butlers sink, floor mounted Worcester boiler, space for calor gas cylinders, space for freestanding fridge/freezers, door to rear garden. To the side of the property is a paved seating area with an ornamental pond.

The delightful South-facing rear garden benefits from a deep paved terrace, planted with Wisteria and Jasmine, which runs the length of the Farmhouse with a pergola covered in vines to one side and to the other a long brick outbuilding adjoining the rear of the Garage. This building is split into a large workshop with a brick laid floor, light and power and a small tool shed at the end. Steps lead from the terrace onto a gently sloping expanse of lawn with mature planting to the borders and fruit trees including apple and plum. The garden is fully enclosed by a wall to one side and post and rail fencing to the other. At the top of the garden is an area fenced off which would make a lovely Kitchen garden.
