This BEAUTIFULLY PRESENTED and GENEROUSLY PROPORTIONED two-bedroom first floor apartment was completed in 2024 and offers CONTEMPORARY OPEN-PLAN LIVING, far-reaching VIEWS and the valuable addition of a DOUBLE GARAGE. Set within easy reach of a wide selection of local amenities, the apartment forms part of a small, EXCLUSIVE BUILDING COMPRISING ONLY TWO HOMES.

Accessed via a smart and immaculately kept communal entrance, shared with only one neighbouring apartment, the building benefits from a secure fob-controlled entry system, intercom and a designated post area. Inside the apartment, a welcoming central hallway leads through to the main living spaces. The open-plan living and kitchen area forms the focal point of the home and is filled with natural light from striking arched sash windows that frame views across open countryside and the rooftops of Poundbury. Oak-effect flooring has been recently installed by the current owners and runs throughout the apartment, enhancing the sense of space and continuity.

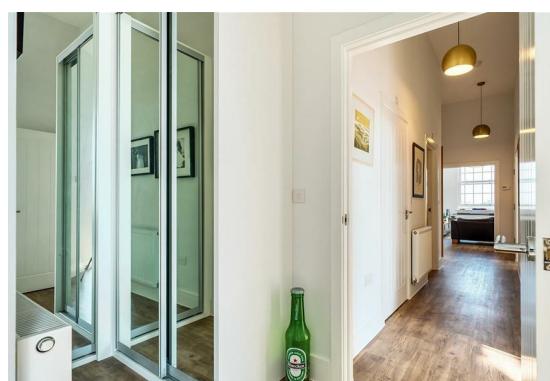

The kitchen is thoughtfully designed with a range of modern, soft-close cabinetry and ample work surfaces, together with a suite of integrated appliances including a five-burner gas hob with extractor, double oven, fridge/freezer and dishwasher. Adjoining the kitchen, the living area provides a versatile and sociable space with clearly defined zones for dining and relaxation, making it well suited to both everyday living and entertaining.

There are two spacious double bedrooms, including a principal bedroom with en-suite shower room, along with a separate family bathroom. The principal bedroom benefits from a dual aspect created by two large sash windows, a dressing area with fitted wardrobes and plenty of room for additional bedroom furniture. The en-suite is finished in a contemporary style and features a spacious shower with folding glass door, wash hand basin with storage below and WC. The second bedroom is also a well-sized double room, enjoying good natural light and ample space for freestanding furniture.

The family bathroom is finished with modern tiling and includes a bath with shower over and glass screen, a floating wash hand basin and WC. A practical utility room completes the internal accommodation and provides additional storage, a sink with drainer and space and plumbing for further appliances.

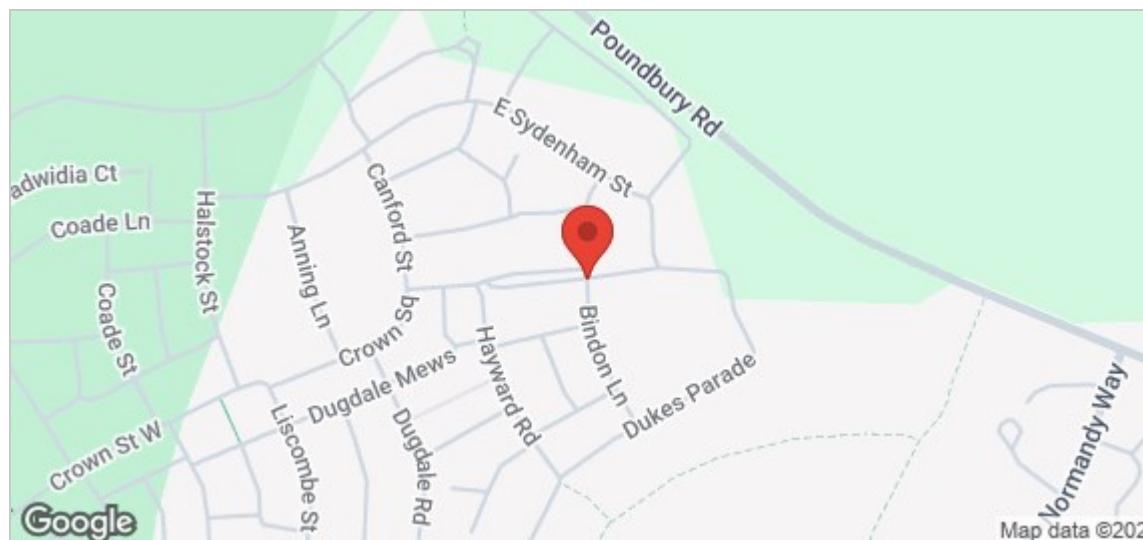

Outside, the apartment is complemented by a double garage providing secure parking for two vehicles, fitted with up-and-over doors, power and lighting, as well as useful workspace. A separate bin and bicycle store is also included.

Poundbury offers a well-rounded and convenient lifestyle. Designed as an extension of Dorchester under the guidance of His Majesty King Charles III, the area is surrounded by some of Dorset's finest countryside while remaining close to the county town. Increasingly popular with a wide range of buyers, Poundbury benefits from easy access to Dorchester, a selection of well-regarded schools and mainline rail links to London Waterloo and Bristol.

The development offers an excellent range of local facilities including cafés, restaurants, public houses, veterinary services, butchers, medical surgery, pharmacy, dentist, Waitrose, hairdressers, play park, leisure centre and garden centre.
