## Description

Ivy Cottage is ideal for a dual family living with its spacious detached house along with a large independent one bedroom annex. The house, which is believed to be of brick construction with rendered elevations, has been refurbished during the vendors tenure and offers further scope for extension to the rear.

A porch provides access to a front door that opens to the hallway. From here there are steps to the first floor landing, a door to the downstairs cloakroom and snug/bedroom five, as well as access to the kitchen. This stylish room has been fitted with low level wall units along with shelves. There is an integrated dishwasher and double stainless steel sink. There is space and plumbing for an American style fridge freezer and Range oven. The room has an east facing window enjoying the morning sun. A door opens to a timber framed utility area where there is space and plumbing for a washing machine and tumble dryer as well as doors leading out to the patio. Also off the kitchen is the sitting room. This is dual aspect with a north facing window and south facing doors into the conservatory. The focal point is the brick fireplace with wood burning stove. Throughout the sitting room, kitchen and dining room are engineered floorboards. A large opening from the sitting room leads into the dining room. This is dual aspect with a north facing window and south facing French doors opening out to the patio. The conservatory, is of timber frame construction under a polycarbonate roof. There is scope to be rebuilt and the vendor has a proposed sketch of what may be considered.

The first floor landing has a hatch to the roof space, built-in cupboards, door to the four bedrooms along with the bathroom and shower room. Bedroom one is a spacious double with north facing window. Bedroom two has south and west facing window overlooking the rear of the property. The bathroom comprises a WC, bath and feature handwash basin with recessed shelving. Bedroom three is a further dual aspect double with east and north facing window. The fourth bedroom is a single with built-in cupboard and north facing window. In addition is a shower room comprising WC, large shower unit with drencher head and handwash basin with drawer below. It has a south facing window overlooking the rear garden.
