Todd and Hartridge are delighted to offer this three bedroom home in a popular road in Cowplain.

Located close to local shops and schools, this great property offers much for the next owner.

With off-road parking for at least two vehicles (and the potential for more), a south-facing rear garden with rear access, and the potential to extend (subject to planning), this property would make a great purchase for those looking to get onto the property ladder.

The property is presented well and ready to move in to, but improvements could be made to suit the next owner's taste and also (we believe) to increase the potential future value.

The property is sold with vacant possession and no onward chain. Viewings strictly by appointment.
