

## Vision Place, Redhill

£1,400 Per Month

For those wanting central convenience without sacrificing square footage, this apartment stands apart from the ordinary. A home that feels generous rather than compact, it is ready for immediate occupation and available to view by private appointment.

Set on the top floor of this established development in central Redhill, this surprisingly expansive one-bedroom apartment spans over 1,050 sq ft – a rarity for the area and something you'll immediately feel upon stepping inside.

The living/dining room is the standout feature. Measuring over 25ft in length, it offers genuine flexibility – ample space for a large sofa arrangement, dining table and even a work-from-home corner without compromise. Dual skylights and elevated positioning draw in natural light, giving the room an airy, loft-style feel.

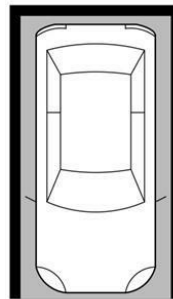

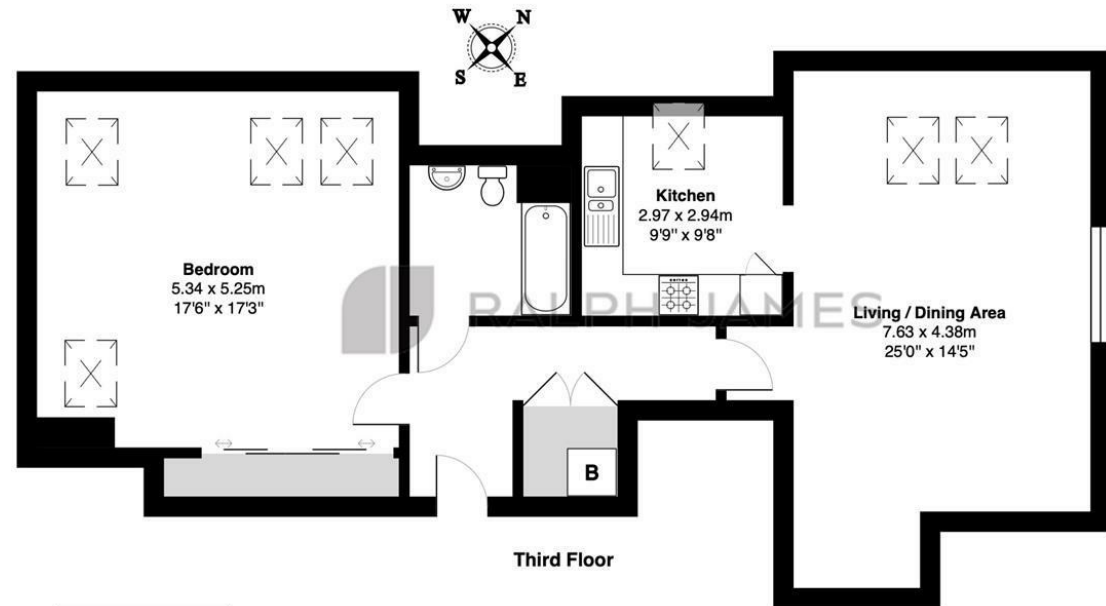

The separate kitchen is neatly arranged and practical in design, with generous cabinetry, integrated cooking appliances and plenty of preparation space – tucked away but still easily connected to the main reception area.

The bedroom is exceptionally well proportioned (over 17ft in length), easily accommodating a king-size bed alongside wardrobes and additional furnishings. The bathroom is fitted with a white suite and neutral tiling, maintaining a clean and timeless finish.
