SITUATION

East Prawle is Devon's southernmost village, just inland from Prawle Point, and close to some really spectacular and beautiful coastal scenery. The village has a small but thriving community with a seasonal cafe, inn and local store to cater for everyday needs. The nearby villages of Frogmore and Chillington provide further amenities to include an excellent bakery, village shop/post office, inn, church and health centre with dispensary. Kingsbridge, approximately 8 miles to the north, provides a comprehensive range of educational, recreational and shopping facilities. The South Devon Coast path provides beautiful cliff top walks to East Portlemouth in the west, where a passenger ferry links with the harbour and sailing town of Salcombe, and Start Point to the east.

The A38 Devon Expressway lies some 17 miles to the north, providing dual carriageway access to the cathedral city and county town of Exeter, with links to the M5 motorway network (Junction 31) and to the coastal city of Plymouth. It is a similar distance to Totnes railway station where it is a three-hour journey to London Paddington. In addition, there are regular internal and international flights from Exeter Airport, whilst Brittany Ferries operates services to France and Northern Spain from the port in Plymouth.
