Property Description

Set back behind a driveway and garage, this well presented three bedroom family home offers a practical layout with the kind of space buyers actually use day to day. The ground floor flows from an entrance porch and useful downstairs WC into a generous living room, with a separate dining room that gives you a proper place to host without sacrificing the lounge.

The kitchen sits off the dining room, creating a sensible setup for family life and entertaining. It is a clean, modern space with good worktop run and storage, and it keeps the messy bits tucked away from the main reception rooms.

Upstairs, the first floor provides three bedrooms and a family bathroom, ideal for growing families, first time buyers who want a long term home, or buyers who need a dedicated office without giving up a bedroom.

Outside, the rear garden gives you that extra breathing room for summer evenings, kids, or a low effort outdoor setup. Add the garage and off road parking and you have a home that works as well as it photographs.
