Stylish Four Bedroom Detached Home | West Facing Garden | Modern Throughout

Tucked away in the ever-popular Chelmer Village, this beautifully presented four-bedroom detached home on Colyers Reach is the kind of property that immediately feels welcoming the moment you walk through the door. Stylish, modern and thoughtfully maintained, it offers the perfect blend of practical family living and contemporary design — with a location that makes everyday life wonderfully convenient.

Step inside and you're greeted by a bright hallway filled with natural light thanks to the front window. The staircase, finished with a smart runner, adds a touch of personality and sets the tone for the tasteful interiors that continue throughout the home.

The lounge is a generous and comfortable space, perfect for cosy evenings, family movie nights or simply unwinding after a long day. It's a room that effortlessly balances comfort with style.

For those who love hosting or family dinners, the separate dining room provides the perfect setting. Complete with a built-in cupboard for practical storage, it's ideal whether you're serving Sunday roasts, celebrating birthdays or enjoying midweek meals together.

At the rear of the home, the conservatory creates a light-filled retreat overlooking the garden. It's the perfect spot for a morning coffee, a quiet read, or simply enjoying the sunshine whatever the season.

The kitchen continues the modern theme, fitted with sleek high-gloss cabinets that give the space a contemporary feel while offering plenty of storage and workspace. It's stylish, practical and designed for real everyday living.

Upstairs, the main bedroom offers a calm and comfortable sanctuary complete with fitted wardrobes, while three further bedrooms provide flexible space for family, guests, or even that much-needed home office.

The shower room has been finished with a clean, modern look, completing the first floor accommodation perfectly.

Outside, the west-facing garden is a real highlight — private, not overlooked and perfectly positioned to catch the afternoon and evening sun. Whether it's summer BBQs, relaxing with friends or simply enjoying a peaceful evening outdoors, this space is made for making memories.

The garden also provides convenient access to the garage, which can be entered either from the garden or via the traditional up-and-over door to the front.

Practical features haven't been forgotten either. The home benefits from a driveway, EV charger, combi boiler and a loft that is partly boarded for extra storage — perfect for keeping things organised.

And when it comes to location, this one ticks plenty of boxes. Chelmer Village Retail Park is just moments away for shops, coffee stops and everyday essentials, with Asda supermarket nearby and quick access to the A12 for commuters.

In short? A modern, move-in-ready home in a fantastic location — the kind that doesn't stay available for long.
