- EPC Rating E/54

Total Area: 90.3 m² ... 972 ft²

All measurements are approximate and for display purposes only

Hemingford Abbots is one of those villages that people genuinely aspire to live in – and properties here don't come up very often. This two bedroom mid-terrace home sits nicely within it, with a really generous front garden and a bonus reception room downstairs. Sometimes the location really does say it all!
