A carpeted staircase with wooden handrail and turned wooden spindles rises to the first-floor level. The lounge is a lovely bright room with leaded light windows to the front and side elevations, and with French doors opening onto the side garden. A feature of this room is a large 'Portland' stone open fireplace with wooden mantle and tiled hearth, perfect for those cosy autumn evenings. An archway from the lounge opens into a separate sitting room/dining room, this in turn leads into a well fitted kitchen. The kitchen has been fitted in a range of cream, country style wall and base units with contrasting work surface over, all providing ample storage space. Integrated appliances include electric oven with hob and extractor above. The utility room off the kitchen, provides additional space and plumbing for further appliances.

A spacious first floor landing, has several built-in storage cupboards and there is access into the loft. There are four DOUBLE bedrooms, each having built-in storage or ample space for freestanding bedroom furniture. The master bedroom which overlooks the gardens to the rear, benefits from having access to its own, fully tiled en-suite shower room. Finishing the accommodation on this level is a good-sized family bathroom, which comprises of a panelled bath, separate shower cubicle, wash hand basin and w.c.

Link House has a good road frontage, sitting well back on a spacious corner plot which is slightly elevated; there is a large front garden planted with mature trees and shrubs with the remainder being laid to lawn. A pedestrian gate gives useful access into a private and secluded garden which wraps around the side and rear of the property. Patio areas are located to the rear of the garage and outside of the lounge, with the remainder of the gardens being laid to lawn. A shared driveway leads to your own private driveway where there is parking for at least two vehicles and access to two, separate garages both with power and light connected.
