Development Overview

Holmes Place was constructed by McCarthy and Stone for Independent Retirement Living and boasts a mix of one and two-bedroom apartments for the over 60s.

The development has a dedicated House Manager on site during working hours to take care of things and make you feel at home. The Homeowners' lounge provides a great space to socialise with friends and family and, if your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (fees apply and subject to availability). In addition, there is a well equipped laundry room with washing machines and tumble driers, and lovely landscaped communal gardens to enjoy.

There's no need to worry about the burden of maintenance as the service charge covers the cost of all external maintenance, gardening and landscaping, external window cleaning, buildings insurance, water rates and security systems. The energy costs of the homeowners lounge and other communal areas are also covered.

For peace-of-mind, there is a 24-hour emergency call system provided via a personal pendant alarm and call points in the bathrooms, and lift access to all floors.

It is a condition of purchase that all residents must meet the age requirements of 60 years.
