IF YOU LIVED HERE...

Step inside and you'll find a thoughtfully arranged home with a practical layout and a calm, welcoming feel throughout. The open plan kitchen and reception room sits to one side of the apartment, creating an easy space for cooking, dining and relaxing. Plantation shutters dress the windows, bringing both character and privacy, while the neutral décor helps the room feel bright and easy to settle into. The kitchen is neatly integrated into the living space, with generous worktop space and contemporary cabinetry that keeps everything feeling streamlined.

Across the hallway, the double bedroom is a peaceful retreat with the same plantation shutters and soft, understated décor. There's plenty of room for freestanding furniture without compromising the sense of space, while the bathroom sits conveniently alongside, fitted with a full-sized bath and finished in clean, contemporary tones. The apartment has been carefully maintained and is ready to enjoy from day one, with the added reassurance of a long 149-year lease. Whether you're buying your

first home or looking for a well-connected base, this is an address that's easy to feel at home in, with Wanstead's independent cafés, restaurants and green spaces all just moments away.
