If you wish to reserve a plot, we require a £500 reservation fee. This will reserve the property for a period of 35 days (7 weeks) to enable you to secure your mortgage and exchange contracts. If this doesn't happen for any reason, we reserve the right to resell the property to another party.

Solicitors

We are happy to recommend a solicitor to act on your behalf, one who is familiar with the site to speed up the process. This is because we aim for exchange of contracts within 35 days. If this does not happen, you will be at risk of losing the property.

ID

We require all buyers to comply with the Anti Money Laundering regulations. This requires you to have an in-date passport or driving licence. The solicitors and mortgage advisors will also ask you for these documents so have them out ready.

Confirmation of your sale

If you have sold your property, we will ask to check with your estate agent the chain details and will liaise with them throughout the process.

Sales Assist

We can offer you a sales assist option where we can reserve a plot for 6-week subject to the sale of your property. This is only available on selected plots. Please ask the sales team for more information.

Consumer Code For Builders

Once everything above has been agreed we will run through the reservation form with you, including all the details about the plot, house type and what's included in the sale at the site office.

William H Brown adhere to the Consumer Code For Builder regulations and you can see their terms and conditions here: <https://consumercode.co.uk>. This code ensures we treat all our customer fairly and offer as much information as possible to help you make an informed decision and support you through the reservation and completion process.
