Tucked away just behind Bruton's vibrant high street, No. 2 Lower Backway enjoys one of the town's most sought-after locations. Quiet and peaceful, yet only a two-minute walk from Bruton's restaurants, independent shops, galleries and cafes that have made Bruton one of Somerset's most desirable destinations.

Built in stone, this attractive modern cottage has all the charm of a cottage, combined with the ease and efficiency of contemporary living. One of just a pair, it sits within a generous plot with both front and rear garden and enjoys a lovely position not far from the stepping stones and Packhorse bridge in the heart of the town.

Inside an entrance hall leads through to a delightful sitting room where a wood-burning stove creates a natural focal point and south-facing windows fill the room with natural light. There is a generous walk-in understairs cupboard providing excellent everyday storage.

At the rear of the house, the kitchen is very much the heart of the home. Bright and spacious, it has ample room for a dining table and chairs. Wide sliding glass doors open directly onto the patio and garden beyond. A rear lobby provides additional access to the garden together with a useful cloakroom.

Upstairs are three light-filled bedrooms. Two are generous doubles, while the third offers flexibility as a child's bedroom, study or home office. The principal bedroom enjoys a built-in wardrobe and an attractive outlook across Lower Backway. There is also a family bathroom.

Outside

A traditional picket gate opens onto a pathway through the front lawn, creating an attractive approach to the house, while mature stone walls provide character and privacy. To the rear, the enclosed garden offers a lovely balance of lawn and patio, making it an ideal setting for summer dining or morning coffee.

An excellent bonus is the substantial garage, larger than a typical single garage and equipped with power, lighting and water. It offers exciting potential to create a home office, studio or ancillary accommodation (subject to the necessary consents)

Situation

2 Lower Backway is situated in an exceptional location just moments from the heart of Bruton with its array of excellent restaurants along its High Street, including 'At the Chapel', 'The Old Pharmacy', 'Briar', and 'The Prickly Pear'. On the town's outskirts, the renowned Hauser & Wirth Gallery hosts 'The Roth Bar' and 'Da Costa', an Italian restaurant. For fine dining, the Michelin-starred 'Osip' is a short drive away.

Bruton offers a range of amenities, including a doctor's surgery, pharmacy, vet, post office, mini-supermarkets, a fuel station, and independent shops. It's just a 10-minute drive to Castle Cary, which features a mainline railway station, the Creamery restaurant, and The Newt nearby.

Large supermarkets are located in Wincanton and Shepton Mallet which are both a short drive away. Gillingham (approx 20 mins away) has a Waitrose as does Sherborne (30 mins away).

For further shopping and recreational activities, Bath, Bristol, Wells and Yeovil are all within about an hour's drive. The A303 (6 miles) provides a direct route to London via the M3 and there is a mainline rail service from Bruton/Castle Cary to London Paddington (approx. 2 hours) and also the new train to Waterloo (Bruton). Airports in Bristol and Exeter offer connections within the UK, Europe and beyond.
