We are pleased to welcome this beautifully presented and extensively modernised detached coastal home offering approximately 1,265 sq ft (117.6 sq m), superbly positioned just a few minutes' walk from Hayling Island beach.

A standout feature is its exceptional energy efficiency. The property has achieved an EPC A rating, held by only a small proportion of homes on Hayling Island. It combines the character and flexibility of an established detached home with the energy credentials of a much newer property.

Modern upgrades include 12 solar panels, battery storage with an active export guarantee, EV charging point, full rewiring and a Vaillant condensing boiler, helping provide comfortable living with energy efficiency and future running costs in mind.

At the heart of the home is the impressive 18'11" x 16'3" living room, featuring a contemporary log-burning stove. The living space flows into the modern fitted kitchen, conservatory and rear garden, creating a sociable layout with a strong connection between indoors and out.

The ground floor also includes a double bedroom, ideal as a guest room, home office or additional reception room, plus a shower room, utility area, storage and side access. Upstairs are two further double bedrooms and a second shower room, offering flexible accommodation for families, guests or home working.

Outside, there is generous off-road parking for multiple vehicles, an EV charging point and garage access via an electric roller door. The private rear garden features lawn and patio areas, ideal for outdoor dining and relaxation.

Combining three double bedrooms, two shower rooms, garage, extensive parking and outstanding EPC A energy efficiency, this is a rare detached coastal home just minutes from the beach.

Hayling Island offers sailing, water sports, cycling and miles of shoreline, while local amenities and connections to Havant and the wider Hampshire area remain within easy reach.

We have a team of advisors covering all our offices, offering a comprehensive range of mortgages from across the market and various protection products from a panel of lending insurers. Our fee is competitively priced, and we can help advise and arrange mortgages and protection for anyone, regardless of who they are buying and selling through.

OFFER VERIFICATION PROCEDURE
If you are considering making an offer for this or any other property we are marketing, please make early contact with your local office to enable us to verify your buying position. Our Sellers expect us to report on a Buyer's proceedability whenever we submit an offer. Thank you.

As part of our drive to assist clients with all aspects of the moving process, we have sourced a reputable removal company. Please ask a member of our sales team for further details and a quotation.

SOLICITOR QUOTES
Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. Bernards can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.
