Entrance Porch

Enter through a hardwood front door with a decorative insert, allowing ample natural light into the porch. Featuring an internal timber door with original stained glass and upper pane leading through to the entrance hallway.

Hallway

A spacious and welcoming hallway entered via an original oak inner door with stained glass and upper pane, allowing for excellent natural light. Featuring oak engineered style doors providing access to all ground floor rooms and stairs to the first floor with period style newel posts and spindles. The space is rich in character, boasting a dado rail, picture rail, decorative archway and architrave and ceiling coving, complemented by ceiling spotlights. Further benefits include a double radiator, dark wood laminate flooring and access to a downstairs WC.

Reception Room One

18'8 x 14'3 (5.69m x 4.34m)

Reception Room One is positioned to the front of the property and features a walk-in uPVC double glazed bay window with leaded panes, complemented by fitted white shutters, creating a warm and inviting space. A gas feature fireplace with granite hearth, inset and original oak surround forms an attractive focal point. Additional features include a ceiling rose, ceiling coving, picture rail, a large double radiator and dark wood laminate flooring. Oak engineered doors with glass inserts provide an open-plan feel and lead through to Reception Room Two.

Reception Room Two

16'5 x 14'0 (5.00m x 4.27m)

Reception Room Two is positioned to the side of the property and benefits from two uPVC double glazed windows with leaded panes, complemented by white shutters. The room features dark wood laminate flooring, a ceiling rose, ceiling coving and a picture rail, enhancing its character. A British Fires New Forest electric fire with granite insert and hearth, set within an original oak surround, provides an attractive focal point.

Kitchen Diner

19'8 x 10'3 (5.99m x 3.12m)

This beautifully presented open-plan kitchen diner offers a unique and versatile space, ideal for modern family living. The kitchen is fitted with a range of wall, base and drawer units, complemented by matching quartz worktops and upstands, along with a one-bowl inset sink and mixer tap. Integrated appliances include a fridge freezer and dishwasher, alongside a built-in double oven, five-ring gas hob and extractor hood set within an alcove.

The dining area provides ample space to comfortably accommodate a six seater table, creating a sociable environment for both everyday living and entertaining. Additional features include a fitted storage cupboard housing a newly installed boiler, a uPVC double glazed window and doors with leaded panes opening out to the rear garden, a large double radiator, tiled flooring and ceiling spotlights.

Utility

7'10 x 4'9 (2.39m x 1.45m)

The utility room flows seamlessly from the kitchen diner and continues the high specification seen throughout the property. Fitted with base units, matching granite worktops and upstands, and a sink with mixer tap, it offers both practicality and style. There is space and plumbing for a washing machine and tumble dryer, along with provision for an integrated freezer. Additional features include tiled flooring, ceiling spotlights, an extractor fan and a uPVC double glazed window with leaded panes overlooking the rear garden. A further uPVC double glazed door with leaded panes provides access to the side of the property, leading to both the front and rear gardens.

Downstairs WC

The downstairs WC makes practical use of space and is fitted with a low-level WC and wash basin. The room features tiled flooring, ceiling spotlights, and a large storage cupboard for added convenience.

Landing

The landing is bright and spacious, providing access to three double bedrooms, one single bedroom, and the family bathroom. A sitting area is cleverly positioned under the stairs leading to the top floor. Additional storage/airing cupboard. Characterful features include a dado rail, picture rail, double radiator, and ceiling spotlights, creating a welcoming and cosy atmosphere.

Bedroom Three is a front-facing room featuring a uPVC double glazed bay window with leaded panes and a generous window sill. The room includes fitted wardrobes in the alcoves, a decorative feature fireplace, picture rail, ceiling coving, a TV point, and a large double radiator, blending character with functionality.

Bedroom Four

10'0 x 9'11 (3.05m x 3.02m)

Bedroom Four is a rear-facing room with a uPVC double glazed window featuring leaded panes. It includes fitted wardrobes, a picture rail, ceiling coving, and a large double radiator.

Bedroom Five

10'7 x 7'0 (3.23m x 2.13m)

Bedroom Five is a front-facing room with a uPVC double glazed window featuring leaded panes. The room is finished with a picture rail, ceiling coving, and a double radiator.

Family Bathroom

The family bathroom is bright and spacious, featuring two uPVC double glazed windows with obscure glass and leaded panes. It comprises a panelled bath with shower over, a wall-hung basin, and a low-level WC. The room is finished with tiled walls and flooring, a chrome towel warmer, and a wall-hung vanity mirror, combining style with practicality.

Stairs/Further Landing

This thoughtfully designed loft conversion flows seamlessly from the first-floor landing, creating a spacious sanctuary comprising the master bedroom, en-suite, and storage. The continuation of the traditional staircase with dado railing up to the third-floor landing gives the space a purpose-built feel. The 2x Velux windows and ceiling spotlights illuminate the area. Door to the master bedroom.

Master Bedroom

15'8 x 9'9 (4.78m x 2.97m)

The master bedroom is bright and airy, featuring a large uPVC double glazed window with leaded panes that fills the room with natural light. A Velux window further enhances the space, while a full length storage cupboard and eaves storage provide excellent practical use. The room also includes a double radiator and a door leading to the en-suite.

En-suite

The master bedroom is complemented by a generously sized en-suite, featuring a large shower enclosure with mains shower and full-height tiling. It also includes a low-level WC and a vanity wash basin with storage beneath. The room is finished with tiled walls and flooring, ceiling spotlights, an extractor fan, a chrome towel warmer, and a uPVC double glazed window with obscure glass and leaded panes.

Rear Garden

The rear garden is low-maintenance, featuring laid lawns, mature shrubs, and fenced boundaries for privacy. Additional benefits include an outside tap, a storage shed, and gated side access.

Front Gardens

The front town garden is paved with mature shrubs and borders, partial fenced and walled boundaries while allowing access to the driveway for parking.
