POSTCODE: WA14 3DN

DESCRIPTION

Ashwood forms part of a development that includes a variety of modern houses set within mature surroundings just a few hundred yards distance from open countryside and the Bollin Valley. The location is ideal being within easy reach of an access point to the surrounding network of motorways, local shops on Vicarage Lane and positioned a short distance from the Bollin Primary/Nursery School. The property also lies within the catchment area of Bowdon C of E Primary School and highly regarded secondary schools.

The accommodation is of generous size, arranged over three floors and extended to create an impressive open plan living space with bi-folding windows opening directly onto the thoughtfully designed landscaped rear gardens.

Approached beyond an attractive composite front door and enclosed porch, the wide entrance hall provides access to a shower room/WC and there is provision for storage within the built-in cloaks closet. The aforementioned living/dining kitchen is fitted with a range of contemporary units and integrated appliances complemented by polished granite work-surfaces and a matching central island. There is ample space for a dining suite and the adjacent naturally light living area is the full width with remotely operated Velux windows. The replanned ground floor also includes a separate utility room which provides access to the integral garage/store.

At first floor level the spacious sitting room features a Juliet balcony and an adjoining study may prove invaluable for those who choose to work from home. In addition, there is an excellent double bedroom with modern en suite shower room/WC.

On the third floor there is a superbly proportioned primary bedroom with well appointed en suite shower room/WC, two further double bedrooms and family bathroom/WC with white suite and chrome fittings.

Gas fired central heating has been installed together with PVCu double glazing throughout.

To the front of the property a block paved driveway allows off road parking for several cars and leads to the integral garage/store with electrically operated roller door. The landscaped rear gardens are laid mainly to lawn with well stocked borders and steps leading up to a raised terrace which is ideal for entertaining during the summer months.
