IMPRESSIVE TOP FLOOR APARTMENT SET IN LANDSCAPED GROUNDS OF OVER 3½ ACRES ENVIABLE LOCATION

THE PROPERTY

This spacious modern apartment is located on the top floor of the west wing which is one of the purpose-built three-storey blocks built in the 1970s in the grounds of Sollershott Hall, one of the most notable early Garden City buildings. It provides a large reception room with sitting and dining areas and balcony, kitchen, two double bedrooms and a bathroom. It also has a store room off the communal landing, which has been very successfully repurposed as a laundry.

The apartment benefits from uPVC double-glazed windows and its own independent gas fired central heating system.

THE OUTSIDE

The apartment is set in the attractively landscaped and very well maintained grounds of Sollershott Hall which extend to in excess of three and a half acres. The communal gardens are laid to extensive lawns with herbaceous beds and borders, ornamental shrubs and numerous mature trees and conifers.

There is parking for residents and visitors within the grounds.

THE LOCATION

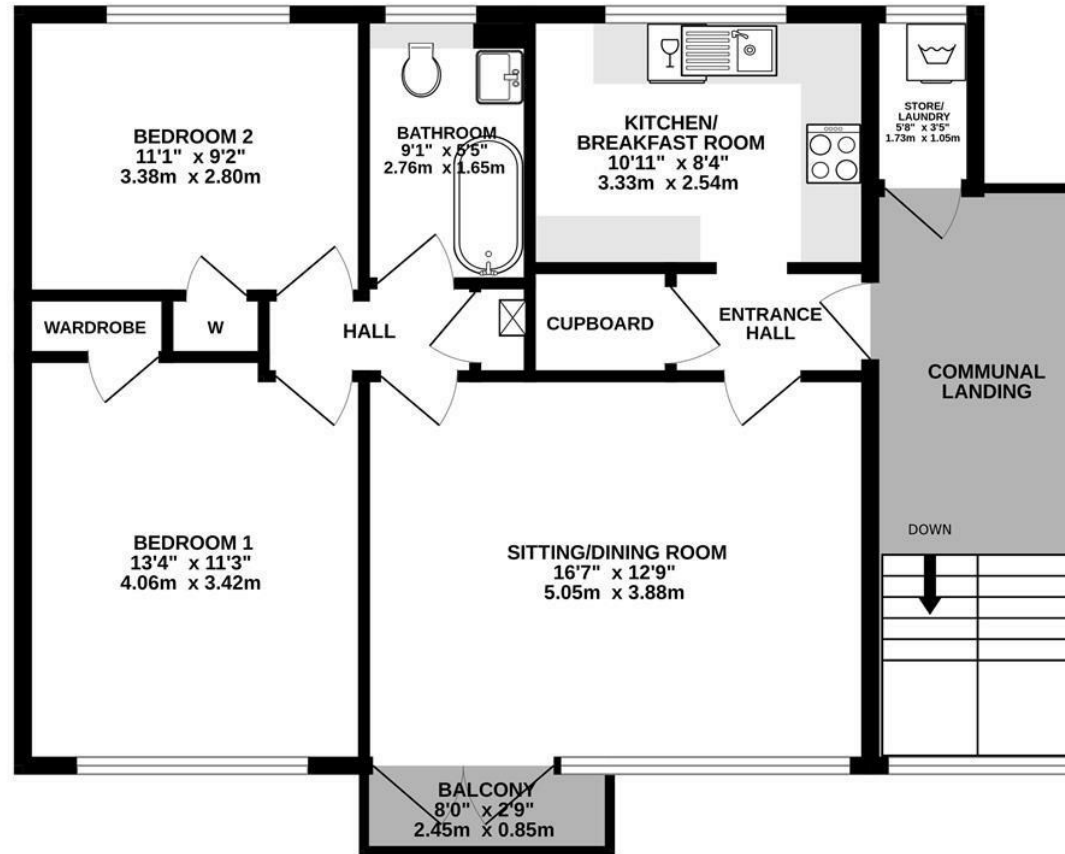

Sollershott Hall occupies a premier residential location on the favoured south side of the town. It is just half a mile from the town centre and within three-quarters of a mile of the mainline railway station. Letchworth Garden City is on the London to Cambridge mainline and regular services run throughout the day. The fastest service to London King's Cross takes just 29 minutes and Cambridge is 29 minutes away in the other direction. Junction 9 on the A1 (M) is 1.8 miles away by car.

Designed in the early 20th Century to combine the benefits of town and country, Letchworth Garden City was the world's first example of this concept and succeeds to this day in achieving its aim. It provides excellent schools, shops, green open spaces and leisure facilities.
