Property

Entering the property via the front door, we are welcomed by the entrance hall where the feeling of space and light that runs throughout the home is instantly apparent. Doors lead to the main accommodation and our dog leg stair case rises to the first floor. Set to the front we find the sitting room, this large dual aspect room is filled with natural light and enjoys the field views over Top Road. A wood-burning stove offers a cosy focal point to the room. Stepping back through the hallway, we pass the ground floor cloakroom and enter the kitchen. The kitchen flows open plan into the dining room, ideal for family life and entertaining alike. The kitchen is fitted with a range of wall and base units set against contrasting wood-effect work surfaces. A fitted oven, hob and extractor feature whilst the sink is set below a window looking to the side of the property. In the dining room, French doors open to the garden, whilst from the kitchen we step into the utility room which in-turn opens to the rear drive. On the first floor, all rooms lead off the spacious landing. Set to the rear two double bedrooms look onto the gardens and views beyond. The family bathroom has been recently re-fitted, offering a modern bath with shower and screen above, w/c and wash basin set to a vanity unit. Completing the accommodation, the impressive main bedroom is of superb proportions and boasts a walk in wardrobe and again re-fitted en-suite which offers a walk in shower. The views from this bedroom are delightful.

Outside

Approaching the property from Top Road we are welcomed onto the vast driveway providing parking and turning for numerous vehicles. Double gates open to a further secure parking area and gives access to the double garage. At the rear, the garden offers a variety of spaces to enjoy with a large patio leading from the patio doors in the dining room, whilst the utility opens to the rear parking area. The initial formal garden space is laid to lawn and framed with low-lying flower beds and planted shrubs. From here we step through to the kitchen garden space, where brick paths work between established fruit and vegetable beds, along with storage and a greenhouse. A large chicken run is set to the rear boundary and we find a secret patio area nestled amongst the space, which leads to the large garden room/summer house, providing the perfect spot to take in the views.
