## EPC Rating:

| Energy Efficiency Rating                    |                         |           |
|---------------------------------------------|-------------------------|-----------|
|                                             | Current                 | Potential |
| Very energy efficient - lower running costs |                         |           |
| (92 plus) <b>A</b>                          |                         |           |
| (81-91) <b>B</b>                            |                         |           |
| (69-80) <b>C</b>                            |                         |           |
| (55-68) <b>D</b>                            |                         |           |
| (39-54) <b>E</b>                            |                         |           |
| (21-38) <b>F</b>                            |                         |           |
| (1-20) <b>G</b>                             |                         |           |
| Not energy efficient - higher running costs |                         |           |
| England & Wales                             | EU Directive 2002/91/EC |           |

No warranty whatsoever can be given by Talbots as to the general state and condition of the property, including electrical wiring, heating systems and plumbing. All measurements are approximate and are stated for guidance purposes only and Talbots can accept no responsibility for errors in measurements.
