## DESCRIPTION

This modern detached family house is positioned at the head of a quiet cul de sac and has been substantially extended to create superbly proportioned living space. Designed with attractive gable fronted and partially rendered elevations, the property includes large areas of glazing to create a naturally light interior with the benefit of gas fired central heating and PVCu double glazing.

The landscaped rear gardens are certainly a feature and incorporate a full width paved terrace which is ideal for entertaining during the summer months with an expanse of manicured lawn beyond. Importantly, all screened by a variety of mature trees and hedges combining to establish a delightful setting with a high degree of privacy.

The beautifully presented accommodation is tastefully appointed throughout and approached beyond a spacious entrance hall which provides access to both a modern cloakroom/WC and the generous reception rooms. Toward the front there is an elegant sitting room with the focal point of marble conglomerate fireplace surround, whilst at the rear a formal dining room opens onto the aforementioned paved terrace through double opening French windows. The adjoining kitchen is fitted with Shaker style units complemented by polished granite work-surfaces alongside a range of integrated appliances and there is also a useful utility room. Completing the ground floor is an excellent double bedroom with en suite shower room/WC which is currently used as an office, but may prove invaluable for those requiring space for multi-generational living.

At first floor level there are four superb double bedrooms with fitted/built-in furniture, a comfortable single bedroom, luxurious bathroom/WC and fully tiled shower room/WC.

Externally, a block paved driveway provides ample off road parking.

The location is ideal being approximately half a mile from the revitalised village centre, within the catchment area of highly regarded primary and secondary schools and well placed for access to the surrounding network of motorways and Manchester International Airport.
