Ground Floor

Upon entry, an inner hall provides access to the sitting room, dining room, and staircase to the first floor. The sitting room enjoys a cosy feel with a front aspect outlook and an open fireplace that forms a natural focal point. The dining room comfortably accommodates a dining table and chairs, features a handy under stairs cupboard, and leads through to the extended kitchen/breakfast room. Here, a range of dated but functional wall and base units sit alongside space for a fridge/freezer, undercounter fridge, and plumbing for a washing machine, with built-in appliances including a double oven, electric hob and extractor above. A side door leads to the driveway while a rear door opens out to the garden beyond. Completing the ground floor is a cloakroom with WC and wash basin.

First Floor

The first-floor landing provides access to all three bedrooms, the family bathroom, a handy airing cupboard, and additional built-in storage. Positioned to the front of the property, the principal bedroom is a spacious double, complete with dual built-in wardrobes offering ample storage. Bedroom two is another well-proportioned double, ideal for guests or growing families. Overlooking the rear garden, bedroom three is a generous single, equally suited as a comfortable bedroom or a bright and peaceful home office. The family bathroom features a shower over the bath, WC, wash basin and a heated towel rail for added comfort.

Outside

Extending to nearly 130ft, the rear garden is a wonderful feature of the property, offering a generous outdoor space with plenty of potential. A paved patio adjoins the house, providing ample room for al fresco dining or relaxed seating, while the remainder of the garden is predominantly laid to lawn and framed by established shrub borders that add a touch of greenery and seasonal interest. Enjoying a good degree of privacy and pleasant views over neighbouring fields, the garden also benefits from a useful workshop and a garden shed, ideal for storage or pottering.
