INTRODUCTION

This is a truly exceptional residence. Beautifully appointed and stylishly presented, the property has been transformed by the current owners into a magnificent home of architectural distinction. The sense of scale is immediate upon entering the fabulous reception hall, where an oak and glass staircase rises to a galleried landing.

The heart of the home is the expansive lounge, featuring floor-to-ceiling glazing and bi-folding doors with automated blinds that open fully to the rear garden. The kitchen is a chef's dream, equipped with high-gloss units and a granite-topped central island featuring a prep sink and Quooker tap. A full suite of premium appliances includes two AEG smart ovens, a Miele induction hob, and a second Quooker boiling water tap. Beyond the kitchen lies a practical utility room and a dining room, while a ground floor bedroom (currently used as a home office) offers bi-folding doors to the garden and access to a modern shower room.

The principal suite on the first floor is a triumph of design, boasting a walk-in wardrobe, a luxurious en-suite, and a striking glazed gable wall with a private balcony overlooking the grounds. Two further double bedrooms complete the first floor.

Technically unrivaled, the home features smart underfloor wet heating (GF), smart lighting, a high-spec 11-camera CCTV system, and Wi-Fi extensions throughout. Versatility is enhanced by a rear lobby and home office within the double garage, which offers clear potential for conversion into a self-contained annex.

Externally, a resin driveway provides extensive parking, while the southerly-facing rear garden is a delight, featuring a filtered stream, a waterfall, and a smart automated watering system. This property represents a rare fusion of contemporary style and incredible functionality.

LOCATION

Temple Close is a much sought after street scene within the desirable village of Welton. Welton is one of the most picturesque and photographed villages in the East Riding of Yorkshire. Centred around its beautiful village green, duck pond, and the historic St Helen's Church, it offers an enviable quality of life defined by timeless charm and character. Nestled at the foot of the Wolds, Welton provides a peaceful residential setting that has long been considered one of the region's most idyllic places to live.

The village is home to the famous Green Dragon—a historic coaching inn—and a charming social club, both serving as central hubs for community life. For extensive shopping, residents are perfectly positioned minutes away from the facilities in Brough, while the nearby Welton Waters Adventure Centre offers fantastic opportunities for sailing and outdoor recreation.

The village is served by the well-regarded Welton Primary School. For secondary education, the village falls within the catchment for South Hunsley School and Sixth Form College in the adjacent village of Melton. Furthermore, prestigious independent options, including Hymers College, Tranby, and Pocklington School, are also within easy reach, ensuring excellent choices for all age groups.

Welton provides superb regional connectivity, offering easy access to major transport links. Situated just off the A63, the village provides a direct route to Hull city centre and the wider M62 network. For rail travel, the nearby station at Brough offers regular regional services and direct high-speed links to London King's Cross.

Accessibility to key destinations includes:

- Hull City Centre: Approx. 10 miles
- Beverley: Approx. 10 miles
- York: Approx. 34 miles
- Leeds: Approx. 58 miles

Beyond the immediate vicinity, the location offers unparalleled access to the beauty of the East Riding countryside. The nearby Yorkshire Wolds present a stunning landscape of peaceful walking trails and traditional villages. This area is perfect for outdoor enthusiasts, offering easy exploration of the coast, including the dramatic clifftops and sandy beaches. The thriving market town of Beverley is nearby with the attraction of York still convenient yet a little more distant.
