*** Price Guide £600,000 to £625,000 ***

Situated in this quiet road within walking distance of Highcliffe Secondary School and the local shops at Saulflands, this immaculately presented four bedroom detached bungalow has been recently refurbished and extended to create a spacious and well balanced home, offering generous single level accommodation finished to a high standard throughout. The layout has been carefully designed to maximise space and flow, with a particularly impressive 23 ft lounge diner forming a key feature of the property.

Internally, the accommodation is light and well proportioned. The kitchen sits to the rear of the property and is fitted with an attractive Shaker style range of units, complementary work surfaces and integrated appliances. The kitchen opens directly into the dining area, where sliding doors provide access onto the rear garden, creating an excellent connection between indoor and outdoor space. From here, the accommodation flows through into the spacious 23 ft lounge, which features a central fireplace.

The property offers four well proportioned bedrooms, two of which are particularly spacious and well suited as principal bedrooms. A modern family bathroom and a separate W C serve the accommodation.

Externally, the rear garden enjoys a southerly aspect and features a paved terrace, with the remainder mainly laid to lawn, and benefits from both a garden room attached to the garage and a summer house.

To the front there is a large driveway providing parking for several vehicles. Double gates give side access to an additional area ideal for boat or caravan storage, which in turn leads to the garage.
