IF YOU LIVED HERE...

You'll love how architectural design blends effortlessly with contemporary style to create a bright, beautifully considered living space. Built by its owner, a registered builder, the finish is exceptional throughout, with thoughtful details at every turn. Beyond the smart exterior, the spacious entrance immediately sets the tone, while underfloor heating runs across all three floors for year-round comfort.

Prepare to be wowed as you step into the expansive kitchen/diner, a light-filled space showcasing pristine units, sleek worktops, striking tiling and a central island that anchors the room. High-quality Bosch appliances, including a dishwasher, large fridge and freezer, make day-to-day living a breeze, while a ground floor utility/WC adds welcome practicality. Bi-fold doors open onto a charming shingle-filled garden, creating a seamless connection between inside and out.

To the rear, the fully insulated and plumbed garden studio offers superb

Upstairs, two immaculate bedrooms feature plush wool carpeting and impressive 2.4m-high doors, while the bathroom is finished to a high standard with a heated towel rail. On the top floor, a further mezzanine room enjoys an incredible sense of space, enhanced by electrically operated triple-glazed skylights.

Throughout the home, triple glazing, an air source heat pump and a mechanical ventilation and heat recovery system ensure excellent energy efficiency, reflected in the strong EPC rating of B.
