Upon entering the property, you are welcomed by a handy porch entrance, before leading through into the lovely, spacious living room. This is a fantastic room for relaxing with family or entertaining guests. The beautifully presented kitchen/diner is undoubtedly one of the highlights of the home, offering a wonderful space for everyday family life and socialising. Patio doors open directly onto the easy-to-maintain rear garden, creating a lovely connection between indoor and outdoor living. The garden is home to two fantastic converted outbuildings, offering an incredible amount of flexibility. One has been converted into an additional bedroom, while the second has been transformed into a fabulous therapy room, although could easily lend itself to a variety of alternative uses depending on individual requirements.
