No Onward Chain. Built in 1968, this iconic 1970s architect-designed home stands proudly on one of Lisvane's most desirable residential roads. Striking in its design and proportions, the property offers over 3,000 sq ft of beautifully balanced accommodation that blends dramatic architectural form with light-filled family living, while offering excellent potential for further enhancement or personalisation.

Set behind an in-and-out driveway and surrounded by large, mature gardens, the house makes an immediate impression with its bold, design-led façade and distinctive geometry, a hallmark of its era. Inside, a remarkable vaulted balcony landing hall creates a striking first impression, setting the tone for the space and natural light that define the home throughout.

The ground floor offers a series of generous reception rooms, each designed to draw in light and provide views of the surrounding greenery. A conservatory extends the living space further, connecting seamlessly to the garden. The kitchen and adjoining breakfast room form a practical yet sociable hub, complemented by a useful utility room and access to the double garage. Upstairs, four spacious bedrooms, including a principal suite with balcony and en suite bathroom.

Outside, the landscaped gardens extend to both front and rear, offering mature planting, sweeping lawns, and a sun-drenched terrace, ideal for family life or entertaining. The in-and-out driveway provides ample parking and a grand sense of arrival.
