The walls are white, and there are large windows on either side. The floor is made of light-colored wood.

This impressive family home offers five double bedrooms across three floors and approx. 2,400 sq ft of living space. Positioned on a prime corner plot with scenic green views, it features two reception rooms plus a second floor den/home office, a spacious living/dining kitchen and a double garage.

Built by David Wilson Homes in 2020 to their Moorecroft design, this low-mileage home comes to the market in immaculate condition, having been perfectly designed for a large family, with accommodation laid out over three floors. Outside, the property is set on a prime corner plot overlooking wraparound green spaces. To the side of the property is a generous double-width driveway and double garage, whilst to the rear is a lovely, fully enclosed and partly walled garden which enjoys a good degree of privacy.

Located in the charming village of Doveridge which features its own primary school, a pub restaurant, a community café in the village hall plus a community milk shack selling hot and cold drinks and food essentials. The property also provides excellent connectivity to the A50, linking to the M1 and M6. The market towns of Uttoxeter and Ashbourne are easily accessible, with Uttoxeter offering good schools, a local railway station, and various sports and leisure facilities.

Let us walk you through the property in more detail, starting in the main entrance hall, which is a generous open space located in the centre of this beautifully balanced design. It features a composite front entrance door, stairs rising to the first-floor landing and doors leading off to the ground floor living spaces.

Part-glazed double doors open into the generous main sitting room, which has a lovely dual aspect to both the front and rear elevations. A bay window overlooks the green to the front and French doors lead out onto the rear patio, with full-height windows on either side.

The dining room also features dual-aspect windows to the front and side elevations, with lovely views over the wraparound green spaces.

The cloakroom/WC is fitted with a low-flush WC, corner wash hand basin with mixer tap, complementary tiling to the lower half, and Amtico flooring. A built-in cloaks/storage cupboard houses the consumer unit and main telephone socket.

Moving through to the kitchen, which is at the heart of this fabulous home, this lovely open-plan space has been created in line with modern living, offering plenty of sociable space and an abundance of natural light from triple-aspect windows. The family area features French doors opening out onto the rear patio, with adjoining box bay patio doors to the side. The kitchen area features a range of matching base and eye-level high-gloss storage cupboards and drawers, with granite preparation work surfaces, breakfast bar, and carved inset drainer. Integrated appliances include a four-ring stainless steel AEG hob with matching extractor hood, double oven, grill, fridge, freezer, dishwasher, and chrome mixer tap. The open-plan living/dining kitchen has Amtico flooring throughout.

The adjoining utility room has a double-glazed rear entry door leading out to the garden, Amtico flooring and matching high-gloss base and eye-level storage cupboards with a concealed central heating boiler. Granite work surfaces include a built-in stainless steel sink and drainer with mixer tap and there is space and provision for an integrated washer/dryer.

On the first floor, a central landing provides access to the bedrooms and family bathroom, with a second set of stairs rising to the second floor. The landing features excellent storage, with two built-in cupboards, one of which houses the pressurised hot water system.

The master bedroom features a walk-through dressing room fitted with a superb range of wardrobes, leading to a generous bedroom area with dual-aspect windows and plenty of space for additional furniture if desired. The en-suite bathroom is fitted with a four-piece suite comprising a low-flush WC, vanity wash hand basin with mixer tap and storage beneath, panelled bath with mixer tap, and double shower cubicle with sliding glass screen, along with complementary wall tiling, a heated towel radiator, and shaving point.

There are three additional generous double bedrooms on this floor, served by the family bathroom, which is fitted with a four-piece suite comprising a low-flush WC, pedestal wash hand basin with mixer tap, panelled bath with mixer tap, shower cubicle with glass screen and complementary tiling plus a heated towel radiator.

On the second floor, stairs lead to an open landing space with ample natural light from a ceiling skylight and side-facing window. The space is currently used as an additional sitting room but could be utilised as a study area.

The den/bedroom six has Velux windows to the side elevation and a built-in storage cupboard.

Bedroom five is a spectacular room with bespoke skylights to the rear and a front-facing window overlooking the green. The en-suite shower room has a window to the rear elevation and is fitted with a three-piece suite comprising a low-flush WC, pedestal wash hand basin with mixer tap, enclosed shower cubicle, complementary tiling, glass screen, and heated towel radiator.

This entire top floor could arguably be used to create a spectacular master suite, using the den as a dressing room.

Outside, the property is set off a shared private drive, with double-width parking to the side of the house leading to the detached double garage. The property benefits from wraparound flower beds, a side lawn, and gated side entry providing access to the rear garden.

The rear garden has been landscaped and beautifully maintained, enjoying an excellent degree of privacy with a westerly-facing aspect. Adjacent to the house is a lovely paved patio area, ideal for outdoor entertaining, overlooking the mainly lawned garden. Ornamental flower beds and borders feature a variety of mature shrubs and decorative planting, with a mainly walled boundary.
